# COURSE CURRICULAM

## *GERMAN LEVELS OF FLUENCY- A1 TO B2*

### **A1 Elementary (Beginner / Elementary)**

Welcome to our German Language Institute! In this brochure, we present our comprehensive language learning program, designed to equip you with the necessary skills and vocabulary to effectively communicate in various situations. Whether you're shopping, banking, dining in a restaurant or café, attending classes, using public transport, or visiting the doctor, we have got you covered!

Our curriculum focuses on teaching you essential phrases and vocabulary for everyday needs, such as introducing yourself, discussing your studies and work, hobbies, friends and family, and describing your daily activities. With our expert instructors, you'll learn the basics of German grammar, including the six cases and their functions. We'll guide you through noun declensions and teach you how to conjugate verbs for past, present, and future tenses. Additionally, you'll become proficient in using verbs of motion without prefixes.

Join us at our German Language Institute, and embark on an enriching language learning journey that will open up new opportunities for personal and professional growth. Get ready to master the art of German communication with our well-structured and enjoyable language courses. Viel Spaß beim Lernen! (Enjoy learning!)

Countries and Language

# B1 Threshold Level (Intermediate)

B1 level of communicative competence enables you to communicate your needs in everyday, educational and professional areas of communication. You feel more confident in the German language and can solve a significant number of tasks you encounter in the everyday life.

You will be able to make long complex sentences. And the aim would be to improve your minimum vocabulary strength to almost 1500 words. (The more the merrier!)

FOCUS AREAS- You are able to make everyday conversations. Develop your fluency, i.e. you will speak quicker and more accurately. Work on your grammar and enlarge your word stock!

Active and Passive Constructions
Reflexive Verbs
Formation of Verbs by adding Suffixes and Prefixes

# Our Methodology

## Job-Oriented Teaching

Linguapol believes in learning with the motive of being able to use the knowledge in a professional setting. Our teaching-learning process guides a student right from the first level to get a job. Our courses incorporate the kind of knowledge that will be useful for the student to get a job and work in international environments.

## Learning Made Fun

Linguapol believes in making the process of teaching and learning a fun game. This keeps the student engaged to the course right from the beginning to the end and through every single class. This involves audio-visual methods of teaching, fun interactions, mock interviews, group discussion, extensive revision, quizzes, unlimited exercise, and study materials.

## Target-based Learning

Linguapol understands the need of the student and then sets a target that the teacher and the student achieve within the set period. We cater to all kinds of different requirements of the student with customized courses and flexible timings.

## Integrated Common Platform

Linguapol has all its resources in one single platform. Linguapol uses its own app in which the student can purchase courses, attend live classes, access online resources, appear for exams and even receive certificates. The student does not have to wander around in different software or website for all the activities in the curriculum of the course.

## What is Linguapol?

Linguapol believes in learning with the motive of being able to use the knowledge in a professional setting. Our teaching-learning process guides a student right from the first level to get a job. Our courses incorporate the kind of knowledge that will be useful for the student to get a job and work in international environments.
